Keychains with 2 Sides Logo

29

Rectangular Shaped Metal Keychain for 2 side printing

Metal Keychain

An epoxy coating on the metal keychain's two sides allows for logo printing that will last a long time. For business projects and events, these promotional metal key holders are excellent special giveaways. People will like having these key chains, and the item will be even more stunning on its own when it has a design laser-etched into it. As we give you a lot of space on this promotional metal keychain, which is properly designed with a smooth surface over which your logo can easily be printed, you may use it as a professional business tool to promote your company. A rectangular key holder made of metal is straightforward and stylish. It had been made entirely of metal. They are hence strong and long-lasting. It also features a clean, sophisticated design. It has a rectangular space and a dome-shaped keyhole. Printing takes place in this rectangle. They are printable as a result.

Additionally, the bright silver chrome finish on the structure of this metal keyholder contributes to its streamlined design. It is shiny and striking thanks to this finishing. It keeps all of your necessary keys so you won't leave any behind at home.

- Rectangular-shaped metal keychain with a shiny chrome finish.
- Can be branded on both sides.
- Size: 53 x 28 mm (Base)
- Packing Box: 110 x 50 mm

Wooden USB Flash Drives 4GB, 8GB, 16GB, 32GB, 64GB

Wooden USB Flash Drives Version 2.0 and 3.0

Discover the perfect blend of style and functionality with our Wooden USB Flash Drives. Crafted from high-quality wood, these drives offer a sophisticated and eco-friendly alternative to traditional storage devices. Ideal for professionals, gift-giving, or personal use, these flash drives are available in a range of capacities to suit your needs.

Key Features

- **Natural Wooden Finish:** Each USB drive features a beautiful wooden casing with a smooth finish, offering a timeless and elegant look. The natural grain of the wood makes each drive unique.
- **Available Capacities:** Choose from a range of storage options to fit your needs: 4GB, 8GB, 16GB, 32GB, and 64GB
- **Durable and Lightweight:** The wooden casing provides durability while remaining lightweight and easy to carry.
- **USB 2.0 and 3.0 Compatibility:** Ensures broad compatibility with a wide range of devices and systems, offering reliable data transfer speeds.
- **Custom Branding:** Personalize with laser engraving or printing to showcase your logo or message, making these drives ideal for corporate gifts, promotions, or unique giveaways.
- **Secure Closure:** Features a secure cap to protect the USB connector from damage and dust.

Choosing Between USB 2.0 and USB 3.0

- **For Basic Use:** USB 2.0 is generally sufficient for standard applications such as document storage, light file transfers, and everyday tasks.
- **For High-Speed Requirements:** USB 3.0 is preferable for scenarios requiring faster data transfer rates, such as transferring large multimedia files, using high-resolution videos, or running applications that require quick access to data.

Product Specifications

- **Materials:** High-quality wood and metal components
- **USB Interface:** USB 2.0 and USB 3.0
- **Dimensions:** Compact and portable, dimensions vary by wood type and design

Elevate your storage solutions with the elegance of natural wood. Whether for personal use or as a distinguished corporate gift, these Wooden USB Flash Drives combine practicality with a touch of sophistication.
