Wireless Power Bank Wallet 4000 mAh

JU-WPB-4000
Wireless Powerbank Wallet
Specifications: Capacity - 4000 mAh, Power Size - 160 x 80 x 15mm

Wireless Power bank? Wallet 4000 mAh

This power bank is easier to carry than others because it has a black grip. This product's typical capacity is 4000 mAh, which is excellent for charging cell phones. The charging time ranges somewhere between three and four hours. You can screen print or UV print your branding on the power bank if you're using it as a corporate gift. Your smart devices can be charged with the wire on this imprint mobile charger.

- Input: 5v, 1A
