ZONE

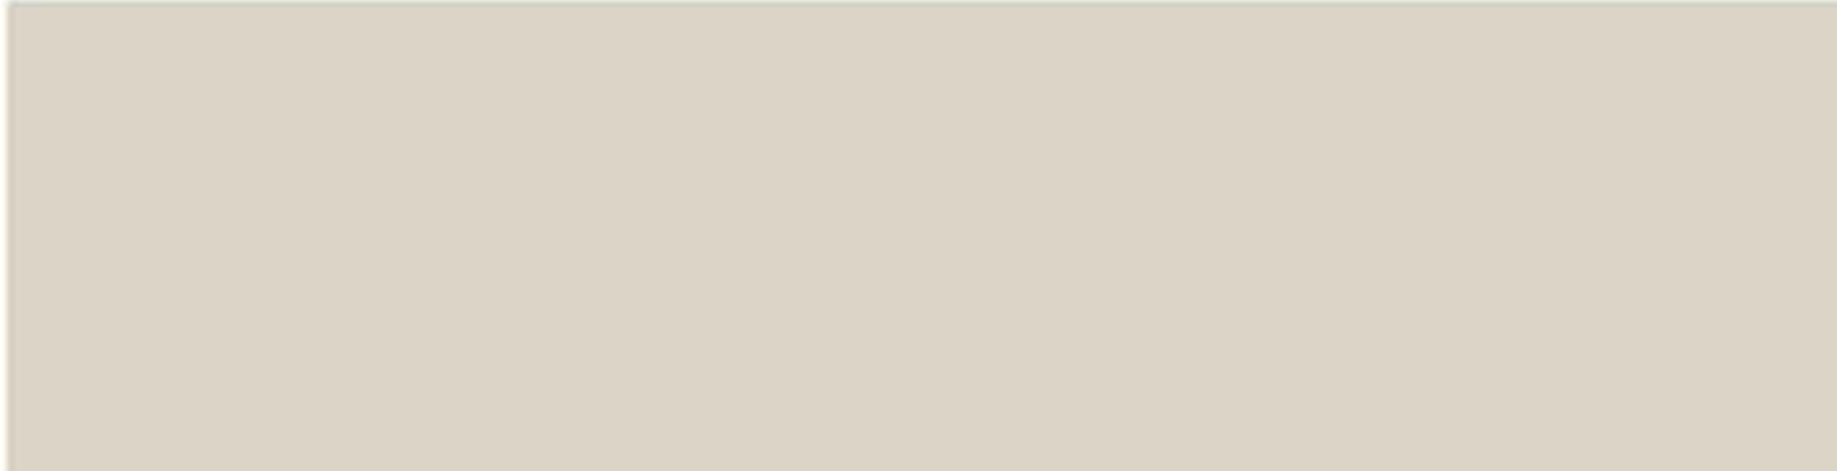

Castelli's innovative approach and artistic processes mean their journals are among some of the best on the market.

MADE IN ITALY

We have been crafting paper notebooks and diaries in our workshop in Bergamo for over 50 years. During our life's work we have been fortunate to contribute to the Lombardy region's craft heritage. We believe that the alchemy of our family is at the heart of each collection we create.

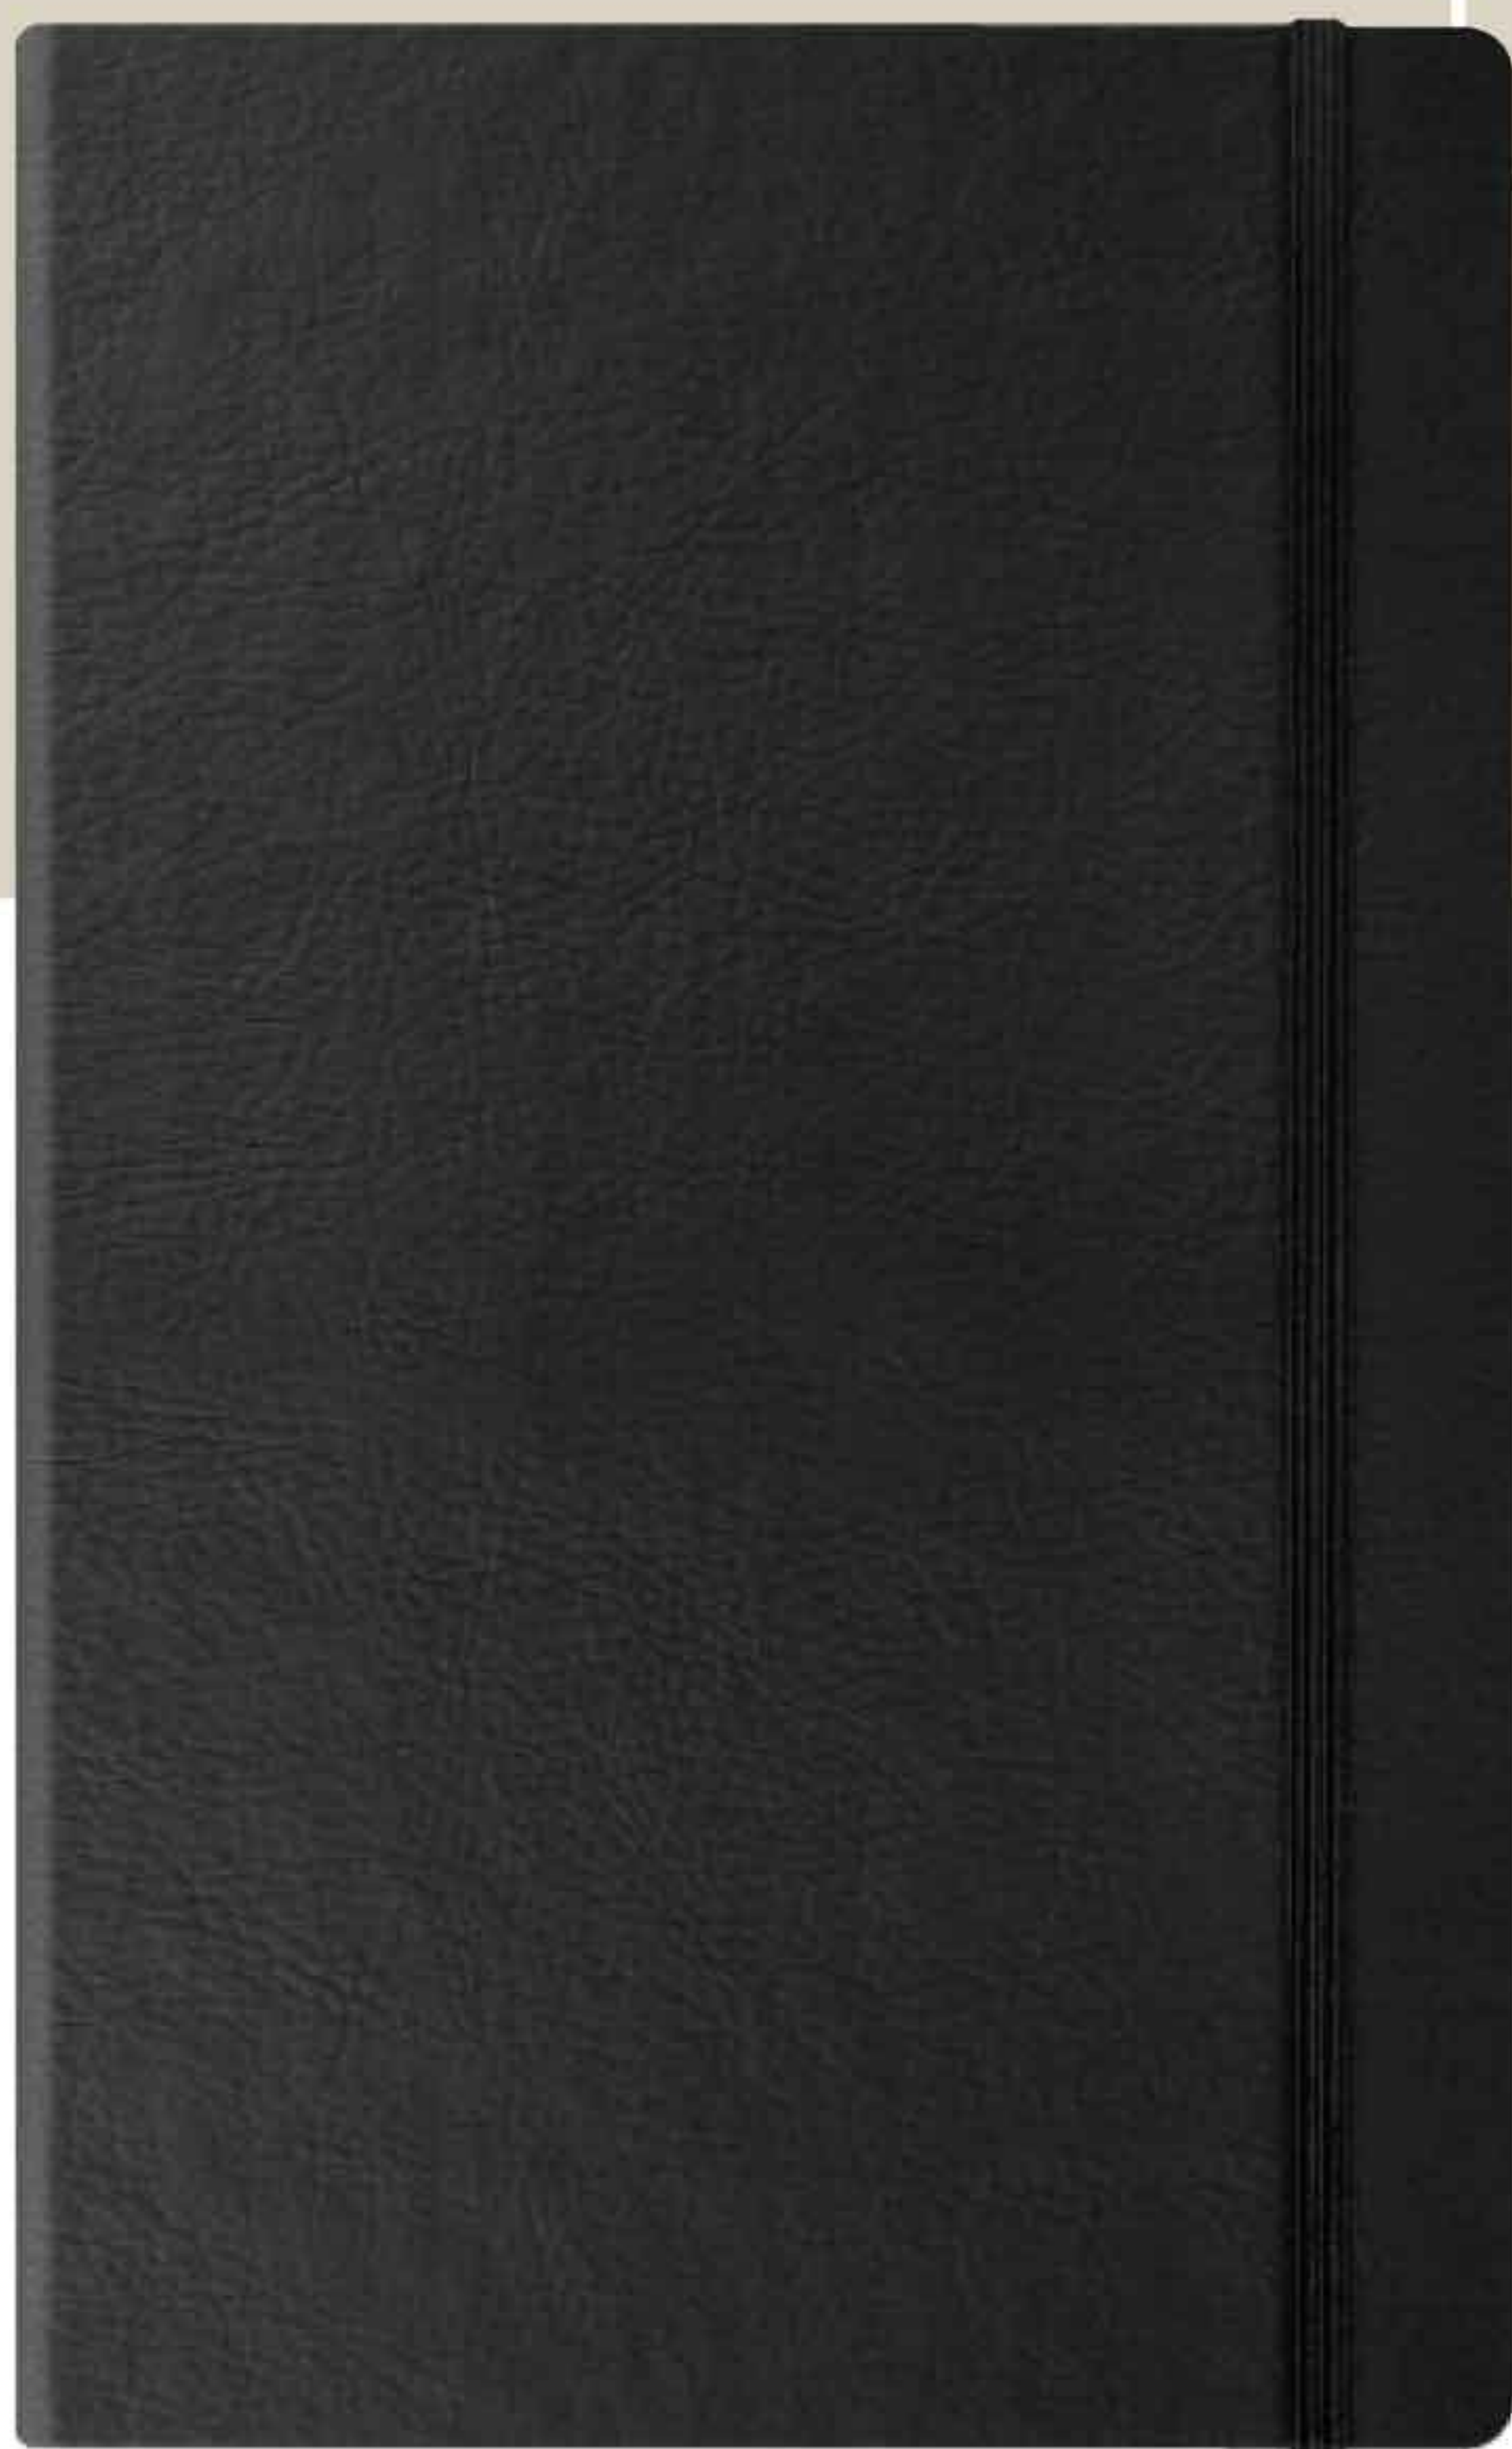

Our collections are designed and made in Bergamo, Italy
