Bamboo Flask with Temperature Display

Bamboo Flask with Temperature Display

Are you looking for the perfect gift with a powerful uplifting message for yourself or a loved one? Look no further! Every time you take a sip from these water bottles, you are reminded. **LED TEMPERATURE DISPLAY:** These classy water bottles have full-screen temperature display caps that provide the most intimate drinking moment by letting you know how hot or cold your drink is, so you don't hurt yourself. **VERSATILE:** These water bottles can be used as a thermos, or as travel mugs for tea or coffee. Can also be used to temporarily store hot water for baby formula on the go. Double-walled vacuum can keep hot for at least 4hrs-8hrs and cold for 24hrs. Bamboo water bottle (at least 4hrs hot), colored water bottle (at least 6hrs hot). **HIGH QUALITY:** Environmentally friendly bamboo material. The inner wall is 304 food-grade stainless steel. These water bottles are 100% BPA-FREE. These water bottles are durable and rust-resistant. **SLIM DESIGN:** Elegant, leak-proof, and easy to clean. Water bottles are small enough to carry around. They can fit into totes, bag packs, and most car cup holders.
