Black Ceramic Mugs with Printable Area

172
11 oz Glossy Black Ceramic Mug with Printable Area
Specifications: Size: 8.5 x 3.5 inches | Capacity: 320 ml

Black Ceramic Mugs

Black ceramic mugs with a white printable area for you to print or coat your company's logo, your cafe's logo, and/or images of your loved ones. These are made of robust and practical ceramic material to make them durable. These gorgeous porcelain black sublimation mugs have a glossy black finish. The style and hierarchy of this photo-printed mug are so effective hence they will undoubtedly make your guests admire your exquisite and classy decision. This photo-printed mug's size is ideal for holding and is both practical and manageable. To put it another way, ceramic mugs are durable and dependable.

These ceramic mugs are 325 ml in volume (11 oz.). This is essentially adequate for tea or espresso. These customizable porcelain mugs make wonderful presents for events and celebrations. They can be used for social gatherings with friends and family as well as corporate or business events where you might be drinking coffee or another beverage. In Dubai, these mugs are used to market products and are great freebies.
