Ceramic Saucer Teacups with Spoon

180
4 oz Ceramic Saucer Tea Cup
Specifications: Size: 50 x 80 mm Capacity: 120 ml

Ceramic Saucer Teacups with Spoon

A ceramic tea spoon and saucer are included with the ceramic tea glasses. The materials used to create each object were ceramic. As a result, they are strong, resilient, and hard. The things are white in color. The spoon, saucer, and cup are all beautifully designed. These cups have a total volume of 120ml, which is ideal for brewing coffee and tea. You can alter the logo or emblem for your company or brand using the sublimation printing option.

These customized teacups make wonderful business presents for various corporate functions. This ceramic teacup and saucer are a perfect size. They are easy to use and portable. As a result, carrying them in your hands is simple. This white ceramic cup, tea saucer, and spoon are also fully customizable. They can be utilized to promote your brand. These customized teacups make great restaurant supplies as well. As a result, you can use them in your café, restaurant, and coffee shop. In Dubai, they are branding teacups and selling opulent goods.
