Crystal Globe Trophy

CR-12
Crystal Globe Award
Specifications: Size: 30 cm (H) x 8 cm (base).

Crystal Globe Trophy

You want your victors to feel like stars, right? Give them our crystal globe trophies as a reward! These elegant, exquisitely crafted golden trophies are appropriate for professional and personal achievement. They stand for success in all of its manifestations, from the human level to that of institutions or businesses. This golden-colored crystal trophy is standing tall on the wooden block. This award is ideal for sporting events because of the globe-like design that rests on top of the crystal figure. The globe trophy is incredibly beautiful and elegant due to its golden tint. The crystal trophy has a 30 cm height. The base is square and measures 8 by 8 cm. We can provide custom printing alternatives for further customization of your golden award. sublimation printing is a printing option. Both of these printing methods provide high-quality work at a low cost. We promise that all of our products will arrive in perfect condition. We also offer free replacements in the event of damage. The prominent features of this golden globe trophy are:

- This crystal award has a square-shaped wooden base and a white globe at the top.
- The height of the award is 30cm.
- Customizable according to the requirement of customers
- Printing options- sublimation printing
- Excellent customer service
- Budget-friendly price
