Cube Bamboo Bluetooth Speaker V5.0

MS-08
Bamboo Wireless Speakers
Specifications: Bamboo top half design & black rubberised base

Cube Bamboo Bluetooth Speaker V5.0

5.0 Bluetooth speaker with bamboo topside design & black rubberized base. Multicolor LED light on the middle. 300 Mah Lithium-ion battery. Has a SD card port & micro-usb charging port.

The black rubberized case of the Cube Bamboo Bluetooth speaker features a bamboo topside pattern. It offers outstanding speakers to improve your listening and musical experiences. The Bluetooth 5.0 version of this bamboo speaker offers a range of up to 50 meters outside and 10 meters inside. So the sound quality of this Bluetooth version is adequate. This speaker also has a great design and a wiring system that eliminates the hassle of handling cables. Comparatively speaking to non-Bluetooth speakers, this promotional speaker is little. It is transportable and simple to bring somewhere.

The bamboo speaker also contains a 350 mAh lithium-ion rechargeable battery with a long power life. As a result, it offers an amazing 3 hours of nonstop gaming. The smooth bamboo framework of this eco-friendly speaker may be imprinted with your business's logo. It is perfect for usage as a company gift, event gift, or promotional gift. Your brand will become well-known and appealing to consumers thanks to this promotional speaker. Additionally, this eco-friendly gadget is ideal as a present for your loved ones.

- Two Bluetooth system versions.
- A small speaker in an attractive and sophisticated style, ideal for promotional, business, and event gifts.
- Green speaker with a bamboo body
- Possibilities for screen printing and laser engraving.
- Portability and lightness.
