Eco-Friendly Lunch Box

LUN-WSB
Wheat Straw Double Lunch Box with Bamboo Top
Specifications: Product Size: 18.5 x 11.5 x 6.5 cm

Eco-Friendly Lunch Box

Branded lunch boxes that are environmentally friendly are well known. They are made of environmentally friendly bamboo and wheat straw. They are hence dependable and light in weight. A green lunchbox, that is. There are two food-holding sections in this. The upper compartment fits over the lower compartment without difficulty. However, the lid is made of bamboo, a sustainable material. A short fork, spoon, and knife are included. Wheat straw is the material used in all of the goods.

Additionally, it has an elastic strap that encircles the lunchbox. It keeps the knife, fork, and spoon. The products all have such elegant structures. Additionally, they are portable and fit well in suitcases. If you wish to advertise your business or brand in an environmentally friendly manner. This daily-use item is therefore the ideal choice for you. This Eco-lunch box can be personalized with your brand's branding. UV printing, laser engraving, and screen printing are all options for logo imprinting. They make excellent promotional presents for business functions. They can also be used as marketing materials for your café or restaurant.
