Gold Ceramic Mugs

175-G
11 oz Glossy Finish Gold Sublimation Ceramic Mug
Specifications: Size: 8.5 x 3.5 inch / Capacity: 325 ml

Ceramic Mugs

Ceramic has been used to make durable, dependable gold ceramic cups. Thus, they are sturdy and strong. These shiny-finish sublimated ceramic mugs in brilliant gold come with sublimation. They will thus provide your client with a distinctive drinking experience. These premium coffee mugs have a functional design and construction. People will therefore adore your tasteful selection and serving. These premium coffee mugs are very lightweight for their size. They are therefore lightweight and portable. These ceramic mugs are made of a tough, long-lasting ceramic substance.

This promotional ceramic mug has a volume of 325 ml (11 oz), which is sufficient to hold tea or espresso. You can add the logo of your business, café, or brand to these ceramic mugs. These gold mugs are wonderful presents for holidays and special events. They are appropriate for social and professional gatherings, as well as for consuming tea or coffee with your loved ones. These are personalized mugs made in the UAE that are appropriate for giveaways.
