Jute Bags with cotton pocket
Specifications: Size- 48 x 38 x 12 cm

Jute Bags with Cotton Pocket

The branding potential of jute bags with cotton pockets is enormous. Our bags have a clean, straightforward style. These promotional bags were made from jute that was grown naturally. They are therefore of a great grade. Additionally, it has two cotton pockets on the front and back. It offers adequate room to hold your belongings, thus. It also contains a button and a hook made of thick thread. These bags' horizontal design makes it possible to carry more stuff. They are effective goods for promoting a brand because of this. They make excellent promotional bags for apparel companies. For imprinting logos or designs on them, express option, heat transfer printing, and screen printing are all options. Additionally, the printing is of excellent quality and produces vivid colors. As a result, you can add the name or logo of your firm to these bags. They can be used to distribute gifts or hampers of goods. These printed bags are fantastic for small businesses. Additionally, you can alter them to use as gifts for your clients and customers. They'll spread the word about your company wherever they go.
