Leather Keychain USB Flash Drive
Specifications: Capacity: 4GB or 8GB

Leather Keychain USB Flash

A stylish Leather Keychain USB that we've designed is the ideal promotional product for advertising campaigns and launching occasions. Your company and brand logo can be engraved using laser, marking, or screen printing. The promotional USB with engraving is ideal for use as giveaways at business conferences, trade shows, and seminars. The greatest USB to use as a logo USB for advertising purposes is this leather one with a printed company name, logo, or slogan.

It is therefore excellent for promotional freebies or company presents. This Imprint USB's entire construction is elegantly styled with genuine leather and aluminum. This USB is the ideal choice if you're looking for a trendy tech gift. Hard drives and floppy disks are never handier to use than USB flash devices.

Additionally, it is a product that is customized with your friend's name and given as a technological gift.

- For holding your keys, use a modern USB keychain.
- Metal construction for shock and water resistance.
- Has three different memory capacities: 4 GB, 8 GB, and 16 GB.
- Leather in a cool brown tone.
- Corporate gift for business and firm.
- Portable and practical.
