Metal Clip USB Flash Drive
Specifications: Capacity: 8 GB

Metal Clip USB Flash Drives

Introducing our fantastic metal clip USB, which comes in capacities of 8GB. Therefore, it has a good amount of storage for your photos, videos, and documents. This premium USB is packaged with a sizable metal clip that is joined to the Promo USB. The USB clip can be attached to any binder, office bag, or shirt pocket. Furthermore, this USB has a sizable area in its silvery metallic structure. It is great to personalize a USB with the name or emblem of a certain business or organization.

Additionally, this personalized USB makes a good giveaway item to give away as a promotional gift. Second, a promotional USB keeps your data safer and more resistant to loss. Therefore, a USB with your company's branding emblem on it is a high-quality present for brand promotion. The customized USB with marking is ideal as a technological present. Perfect promotional gift for corporate gatherings, business awards, success celebrations, and seminars for professionals.

As opposed to the hard drive, which only delivers up to 150 Mb speed, this USB offers up to 4 GB greater speed transfer.

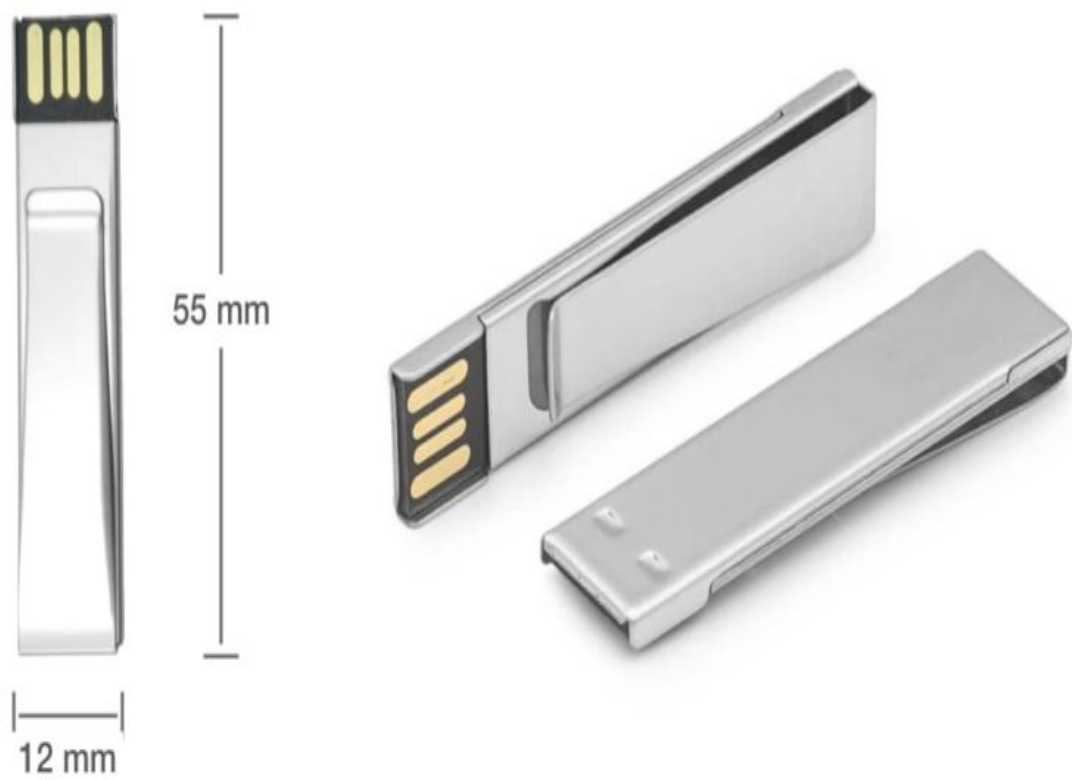

- Acceptable as business presents, freebies, and customized gifts.
- Flash drive with a logo.
- 8GB of available storage.
- Transmission of data at high speed.
- The structure is portable and practical.
