Metal with Crystal USB 16GB

USB-66
Metal with Crystal USB Flash Drive
Specifications: Available Capacity: 16 GB

Metal with Crystal USB 16GB

Introducing our metal USB with crystal, ideal as a business gift for the glitz and fashion sector. Additionally, the entire USB flash drive is housed in a chic crystal case to help your business stand out from the competition. The casing is both temperature and water-resistant.

This present is the perfect option if you're seeking something stylish to give to your friends and family. This Metal with Crystal USB has enough space on its casing for you to print the logo of your business or brand. Giving something away as a gift during special events like fashion displays, corporate gatherings, and fashionista campaigns. For your promotional present, we are giving a specific laser engraving technology. As a result, when people utilize this amazing product, your brand gains more recognition from them. Additionally, the originality and stylish style of this promotional item is perfect for promoting fashion bloggers, photographers, and other entrepreneurs.

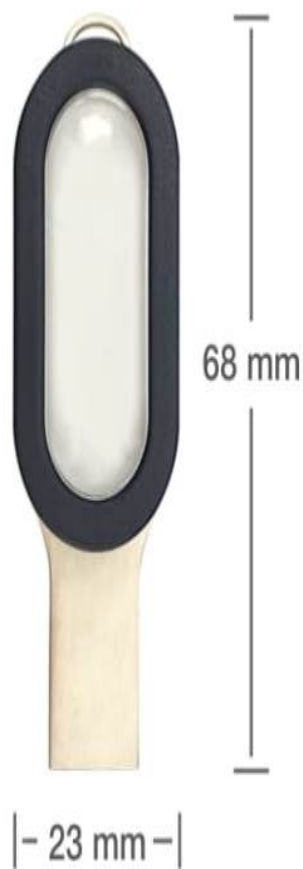

- As a giveaway, shock- and water-resistant.
- Stable document transmission and storage.
- To make it trendy and well-liked, metal construction with crystal was carefully constructed.
- Excellent branding tool: corporate gifts.
- Obtainable in 16GB sizes.
