Badge Reels

With a slide-style belt clip and lanyard reel badge with a transparent ID strap. Our premium reel badges are made to resist normal wear and tear and are available in bulk quantities. There is stock in the 32mm size. Our no-twist cord technology ensures that ID and badges always face forward. It can easily handle a badge clip, rope, chain, or lanyard. Our wholesale logo reel badges contain a strong clip that lets you move about, a back clip, and a vinyl strap with a sizable printing space. It is also the most efficient way to identify someone or an organization in many areas of life. Our Round Pullout branded logo Reel has brilliant colors and is both stylish and practical for everyday use.

It will also protect your cards because it is constructed of high-quality plastic. To suit your demands, you can even add a logo to the badge reel. The printing on the printed badge reel is unique. Designs on printed badge reels may be swiftly generated thanks to digital printing with epoxy. Additionally, it is a marketing tool. They can be distributed as promotional presents to others.
