Magnet Accessories
Specifications: Size 8 mm Diameter

Round Magnets

The circular advertising magnet badge is made of powerful magnets that are wrapped around plated steel bases. These items are well-liked by the general population because they prevent clothing holes, which lowers the expense of uniform and dress wear maintenance. It looks good with its shiny silvery appearance. Additionally, due to their superb economy, superior holding capacity, and compact design. These customized circular magnets are ideal for many different uses. There are two sizes of this spherical magnet fastener: 15mm and 8mm. To help you keep the correct position of your ID Badge, a strength factor was given to each dimension. Promotional magnet badges are useful in everyday life. Its silvery tone is also visually pleasing. It may be given as a gift. Give your loved ones these branded magnet badges to make them feel special. Its strong metal structure ensures that it will last for a very long period. It doesn't rust, either. Its quality won't be damaged by water. It is also extremely lightweight and portable. You can also use it as a promotional item. It can be distributed to raise awareness of your company.
