Round Mini Card USB

USB-56
Round Mini Card USB
Specifications: Capacity: 4, 8, 16 or 32GB

Promotional Round Mini Card USB

Although the round tiny card USB flash drive is small and lightweight, it can store more data than a typical flash drive. The following ranges of data can be preserved by these devices: 1000 photos and songs can be stored on the 4GB, 8GB, 16GB, and 32GB memory cards. The slide-on feature of this custom flash drive swings back and forth to carry the chip in and out.

The printing option on this personalized flash drive can help make your brand more noticeable to potential customers. We provide a variety of printing options to enhance the visual impact of this personalized flash drive. To grow your business, you might publicize your name or the brand of your organization. The logo of your business may also be printed on your invention to further pique interest in these custom flash drives. This gadget will be a fantastic promotional present for your company. It can also be distributed as a corporate handout to support your business. This small, useful tiny USB flash drive is shaped like a ball. If you want to give away the greatest possible item for your business, choose this circular tiny USB flash drive.
