Slide Button USB 16GB with Strap

USB-73
Slide USB Flash Drive
Specifications: Product Size: 57x20x10 mm; Capacity: 16 GB

Slide Button USB 16GB with Strap

The slide button USB flash 16GB has a matte silver color, a smooth matte surface, and a silicone strap for grasping. The USB's side-mounted sliding slider is utilized to slide the USB port in and out of the slick enclosure. The color silver is available for this Slide USB. The memory capacity reaches 16GB. This casing's excellent mechanical strength features a dependable, power-saving design. It simply has three parts, but they fit together quickly, securely, and without glue.

This sliding flash drive has ample room on the side for laser-printed branding or insignia. This USB is a desirable item for use as freebies, corporate presents, and promotional items thanks to the printing. The printing option on this slide flash drive enables you to increase the visibility of your business to potential customers. We provide a variety of printing options to improve the visual appeal of this flash drive.
