## Promotional Slide Button USB Flash

Toggle button A USB flash drive is a multicolored USB that has a smooth PVC case with a matte finish and a leather strap for grasping. The USB's side-mounted sliding slider is utilized to slide the USB port in and out of the slick enclosure. Numerous colors, including black, blue, green, red, white, and yellow, are offered for this USB. There are four different memory sizes: 4GB, 8GB, 16GB, and 32 GB. This casing's excellent mechanical strength features a dependable, power-saving design. It has three parts, but they fit together quickly, securely, and without glue.

This slide flash drive has enough side space for UV printing or screen printing a logo or emblem. This USB is a desirable item for use as freebies, corporate presents, and promotional items thanks to the printing. The printing option on this slide flash drive enables you to increase the visibility of your business to potential customers. We provide a variety of printing options to improve the visual appeal of this flash drive.

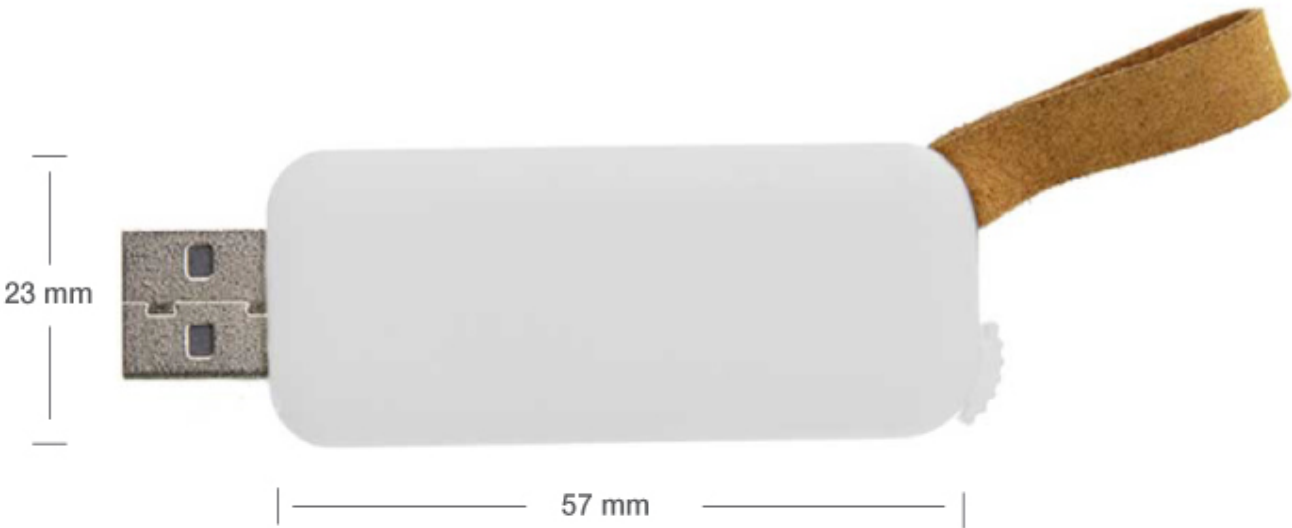

- Sizes of memory: 4, 8, 16, and 32 GB.
- UV and screen printing increase your brand's logo advertising.
- Excellent as handouts, corporate gifts, and promotional items.
- The slider for moving USB is brilliant.
