Square Black Rubberized USB Flash Drives

USB-22
Square Black Rubberized USB Flash Drive
Specifications: Size: 50 x 30 mm | Capacity: 4 or 8 GB

Rubberized USB Flash

The rubberized USB flash drive in black is a fantastic product. Using USBs to store our important data is really beneficial. The USB is constructed of rubber plastic, which makes it simple to use and virtually guarantees that you won't get shocked by an electric current. Additionally, this device is created using digital printing with epoxy and has good memory sizes of 4 GB and 8 GB. The USB flash drive has a charming, chic appearance. These attributes make utilizing this black USB worthwhile.

For those who appreciate technology, a rubberized USB flash is a fantastic present. As a result, you can personalize it by adding your brand's name or company logo. Second, you might present it as a promotional gift during business meetings. People will undoubtedly be amazed by this item as a promotional gift. Give it as a tech gift to show off your taste in contemporary culture.
