Promotional Wheat Straw Cups

Original wheat straw fibers were used to create wheat straw cups. The cover on these wheat cups is constructed entirely of polypropylene. The lid is designed like a sip lid. As a result, you can use it to sip tea, coffee, and other beverages. Since they may be used again and again, these recyclable cups help to rid the earth of plastic waste. These mugs with printed straws also have a silicone coating on the lid.

These wheat straw cups are such a little size. They are therefore transportable and practical to utilize. As a result, holding them in your hands is simple. These cups have a 350ml capacity overall. Therefore, it is plenty for containing tea or espresso. The silicone bands on these cups come in a variety of hues. White, black, red, blue, and green are the available colors for the band and lids. It offers the option of screen printing. So, you may add the logo of your business or brand to these printed straw cups. These are your finest choice for giveaways. They will therefore undoubtedly assist you in attracting more clients. In Dubai, they have branded straw cups that are eco-friendly.
