White Sublimation Ceramic Mugs with Box 11 oz

White Sublimation Mugs with Box

11 oz White Sublimation Mugs with window-type carton box. White Sublimation Mugs Description and Information
The highest Grade quality will have a surface that is smooth, speckless, and straight, and will have a double sublimation coating. These mugs are an excellent option for serious business-to-business vendors, as the longevity of the resulting print is typically the primary consideration in such transactions. The graphics on the mugs do not become less vivid or durable after being washed several times, and they can continue to come into contact with food and drink without posing any health risks. On the mugs themselves, there are neither markings nor brandings of any kind.

- Durable, long-lasting, and strong ceramic material.
- Shiny with glossy finish trendy corporate gifts in Dubai.
- 11 oz. capacity.
