Black Packaging Box with Magnetic Flap

GB-BK-S
Packaging Box with magnetic flap
Specifications: Size: 10 x 10 x 5 cm

Black Packaging Box with Magnetic Flap

Made of durable 1200gsm cardboard, this little, black Gourmet Box with Magnetic Flap is compact. Each box is delivered flat, and a sticker secures the ends when you lift each corner to form the box. A hidden magnet on the box's front keeps the flap closed. These robust hamper boxes can be used for various occasions, including housewarming gifts, birthday presents, baby shower gifts, bridesmaid and groomsmen gifts, and Christmas or holiday hampers. Each box's lid can be customized with one of our lovely ribbons or pull bows to express your creativity and add your own touch to the present or hamper. Personalized vinyl lettering can be used to decorate or label these boxes. Other sizes of this type of box are also offered. Use advice: Before adding food, line the base of our magnetic gourmet boxes with food-grade paper or aluminum foil to make them food safe.
