Desktop Pen Holder with 5W Wireless Charger

Multifunction Desktop Pen Holder with 5W Wireless Charging

We all use our phones for extended periods of time these days, therefore we must charge them as soon as feasible. This product can help you with that. You may charge your phone while using it and working at the same time. The greatest solution for your advertising campaign may be a multipurpose desktop pen holder with wireless charging made of top-quality materials and featuring lovely designs. The charger has USB A and USB C charging ports and is wireless. This item also includes a pen holder. You can also have your logo printed on it. Your logo can be illuminated with an LED light.
