WA-10GW
Raphael Promotional Watch
Specifications: 40 mm stainless steel

Gents Watches

Beautiful white timepieces for men are made by Raphael. Leather and stainless steel were used to create these gift clocks. As a result, they are sturdy, stylish, and water-resistant. It also features a timeless, elegant design. The circumference of its circular frame is 46mm. It includes maroon leather straps and a stunning silver circular frame. Contrary to the hue of the frame, the dial is white. The numerical markers and needles are also black. The dial of this branded watch is simple and uncluttered. These hence go well with your traditional appearance because of their traditional design. On its dial, there is also a circular place for the date. The promotional watch's back was constructed of stainless steel as well. The dial and back of branded timepieces are used for advertising. Laser branding is an option for the dial and metal marking is an option for the back. As a result, you can add your brand's name or emblem to them. They will accelerate the development of your brand. Therefore, these chic white watches make the ideal gift. Additionally, you can alter them for your pals.
