Sticky Notepad and Calendars

MB-02
Pod & Sticky Note with Leather Case
Specifications: Size: 10 x 15.2 x 2.8 cm

Notepads, Sticky notes, and Calendars

A huge sticky notepad with a calendar is a great giveaway gift for marketing your company. It is made up of a black casing. This case was made of sturdy, long-lasting leather. Consequently, the thing is trustworthy. Two parts of a huge sticky notepad are within the leather box. A calendar is one example of a straightforward design. Sticky notes and colored sticky pads are found in the other section. So, it's a good piece of creativity. You may easily personalize it with information about your business because there is space on the leather cover measuring 13.2 x 10.2 cm.

Additionally, there is the possibility to print a logo or signage on the notepad. As a result, you can imprint your brand's logo using screen printing and embossing/debossing. Therefore, these are the ideal business presents for your clients and coworkers. The notepad can also be a giveaway. For corporate events, they make the best promotional products. You can personalize them for your loved ones and friends. You can also put your own uniquely creative designs on an online business. They work well for advertising small businesses.
