Wrist Watches

Raphael is known for producing promotional timepieces for both men and women. These branded wristwatches were made of stainless steel that was resistant to water. It, therefore, has a refined yet elegant appearance. The men's watch is 43 mm in size, compared to 30 mm for women's watches. It has a silver chain in the middle with rust-colored accents. Additionally, the frame has a rust color. Its dial is white instead of the frame. Its markings and needles, however, are red in color. Overall, it's a very fashionable watch. It also includes two little sections on the dial. One is used to show the date, and the other is used to show the day. Additionally made from stainless steel was the watch's back. The dial can be imprinted with information as well. Consequently, these branded wristwatches are great advertising gifts. It can be customized with full-color logo printing and metal branding. Therefore, you can personalize them by adding your brand's name or logo. These timepieces were created specifically for marketing purposes. You can thus utilize them in campaigns. These branded watches make the ideal presents.
