Organic Cotton Lanyards

Lanyards

Organic cotton lanyard made from cotton. It constantly provides a range of functional options. These cotton lanyards have a hook, safety lock, and buckle to protect your documents. It also has a hook so you can hang your playing cards on it. Your documents are secure with a safety lock. Additionally, a buckle holds everything in place and holds the records together. This quality enhances its allure. Additionally, you may use it with various lanyard add-ons. obtainable in a dimension of 2x90 cm.

There is a one-color screen printing option. Any pattern can be printed on it. Customized cotton lanyards are available with hooks, safety locks, and buckles. They are applicable to a wide range of organizations, including educational institutions and many other industries. They can also be used as giveaways. Embroider the logo of your business on them. To promote your brand, give them away to others as promotional gifts. Because of its size and ability to connect a variety of devices, it is portable due to its modest weight. It is affordable and easily accessible. It's available for purchase at a discount.
