Drawstring Cotton Pouch Bags

PCH-03
Drawstring Cotton Pouch Bag
Specifications: Size: 10 x 20.5 cm

Eco-Friendly Drawstring Cotton Pouch Bags

Our distinctive promotional natural large drawstring cotton pouch is an economical branded bag that promotes your business in an eco-friendly manner. They are made from 4 oz. of unbleached, 100% ethically sourced natural cotton. You need to go no further than these eco-friendly cotton pouches if you're seeking a cheap and environmentally beneficial substitute for plastic carrier bags. Carry your essentials in style, and Personalized pouches for every occasion. The outcome? Make a lasting impression with your brand. They are perfect for promotional freebies and goodie bags because of their lightweight, yet strong material and drawstring closure, which will work for a variety of businesses and target markets. These fashionable, environmentally friendly cotton pouches are high-impact goods that are ideal for practically any marketing endeavor, from product launches and thank-you gifts to trade exhibits and sales meetings.
