Light-up Logo Bluetooth Speaker & 5W Wireless Charger

Light-up Logo Bluetooth Speaker and 5W Wireless Charger

A Light-up Logo Bluetooth speaker with wireless charger capabilities is the ideal pairing. Additionally, the tiny speaker system delivers impressive bass and high-dedication sound for its diminutive size. A wireless charger is included with this Bluetooth speaker. Therefore, if you place your mobile device on the speaker, the battery will begin to charge.

Additionally, you may take calls while your phone is linked to the Bluetooth speaker thanks to the built-in microphone speaker. This compact speaker is sufficient and can be moved around with ease, and it has an astonishingly good and high-quality acoustic sound system. Up to three hours of gameplay are possible with the 5W wireless output. The perfect present for a party animal. The logo of your business and brand can be printed using laser engraving techniques on this promotional item. You can use this to draw clients to promotional events. Additionally, this printed speaker with the business logo makes a wonderful present for executives and business associates.
