Stylus Metal Pens

Metal Pens

Metal Stylus pens are chic and sophisticated. They had used a sturdy metallic substance during crafting. They are hence strong and long-lasting. The barrel of this promotional pen is made of vibrant metallic color. So, it appears to be quite vibrant. The pen's entire barrel had been covered in rubber. It has a soft rubber texture as a result. The tip, however, has a metallic silver sheen. It is also a 2-in-1 pen. Therefore, it includes a stylus and a ball pen. The stylus is located at the pen's top. The font is black. As a result, your cell phones can use it.

In addition to the barrel, it includes a clip. These are the top products offered by Qatari vendors of corporate gifts. The clip was constructed of silver chrome. As a result, it makes the ideal personalized pen with a stylus. Consequently, you may use this custom pen with a stylus for events. A twist-action mechanism is included. So, it's simple to put on and take off the ball pen. Additionally, there is a laser engraving option for adding a logo. As a result, you can personalize these promotional branded pens with your company's emblem.
