Dhow Trophy with Wooden Box

For ceremonies and other promotional events, business presents are quite important. This trophy is made of gold, making it a great present option. Unbeatable is the swag of the golden ship lying on a silver foundation. The attractive trophy includes a wooden box. The vivid color is complemented by the white satin lining of the gift box. This dhow trophy will leave a lasting impression whether you give it as a promotional award or a business gift. This trophy can be displayed elegantly on a table or in a trophy cabinet. The fusion of metal and wood is flawless. This item looks quite appealing thanks to the wood that makes up its box and its great quality. The best use for these personalized trophies is as employee presents. The dhow award with the wooden box stands out for the following reasons:

- This trophy's use of both metal and wood works beautifully together. The golden hue improves its style.
- It has a long shelf life and is strong.
- Its hardwood foundation supports the trophy's elaborate design.
- Perfect award for promotions.
- Best for all types of ceremonies and celebrations.
- Customizable! It can be customized however you wish.
- 100% assurance of client satisfaction.
