Glass Lunch box with Bamboo Lid

REUSABLE. PLASTIC-FREE, BPA-FREE.HIGH-QUALITY: Made of the strongest & lead-free borosilicate glass, It's almost totally unbreakable! Our containers are oven-safe up to extremely high temperatures from 400 F degrees to -20 F. Works great in the freezer the microwave or the dishwasher. **MULTIFUNCTION COMPONENT:** They?re NOT just used as meal prep, but also as lunch boxes, butter dishes, and oven cooking pans. The bamboo lids are also portable cutting boards for cheese, vegetables, etc. **SAFE FOR YOU and the NATURAL WORLD:** Plastic will eventually crack, snap, warp, or wear down, BUT not this borosilicate glass! Compare this with plastic containers, which contain BPA that can contaminate your food or even your body. These glass storage containers are plastic-free, BPA-free, phthalate-free, and non-toxic to hold all types of food. **CUSTOMERS FIRST!** Your satisfaction means everything to us than our sales. If unhappy with our glass containers for any reason, pls contact us immediately for a return, replacement, or refund. Glass is Fragile, if any glass is damaged during transportation, pls contact us immediately for a return, replacement, or refund. Don?t hesitate to reach out! this can be a good choice for your promotional gift!
