UAE Falcon Metal Badges

The flag is every nation's most significant national symbol. The poem gave descriptions of each of the colors used in the UAE flag; white for good actions or the UAE Coat of Arms is a falcon with the UAE flag at its center. The new insignia includes a golden falcon, a disk in the center with the colors of the flag, and seven stars on either side, signifying the seven emirates of the federation. The falcon has seven tail feathers and a red parchment with the Arabic name of the federation written on it in its talons.
