A3 Vertical Red Paper Shopping Bags

RA3V
A3 Vertical - Red Paper Shopping Bag
Specifications: Size: 38 x 44 x 10 cm

Shopping Bags

Our paper bags were made from paper that is completely biodegradable. Additionally, synthetic paper is sturdy, water- and chemical-resistant, and waterproof. It is easily able to tolerate abrasion. The paper features laminations to give it a glossy appearance. Both textbooks and groceries can be carried in this greatest promotional bag. Your hoodies, sunscreen, lotion, and towel can all fit within. It has a strong string that can be used for holding. It measures 35 x 44 x 10 cm and has a large capacity.

Additionally, it offers the option of screen printing, turning it into a promotional bag. The names and logos of your company could be imprinted on them. Our printed bags are also reusable and biodegradable. These paper bags can be customized for a company or store with one-of-a-kind and imaginative designs so that people can learn about your innovation and recognize you when they see such a printed bag. You can use these chic bags as promotional presents to demonstrate your inventiveness.
