Bluetooth Speaker

MS-02
Bluetooth Speaker
Specifications: Small & Portable Design, Full Bassing in solid white color.

Bluetooth Speaker

This white Bluetooth speaker is a high-end option that offers superior acoustics versus plastic speakers, enhancing your musical experience while preserving excellent sound quality. Additionally, this promotional speaker has a Bluetooth 4.2 version system, which allows it to cover up to 50 meters of outdoor space and up to 10 meters of internal space.

Additionally, the sound quality of this Bluetooth version is adequate. With its great design and wireless technology, this Bluetooth speaker spares you the hassle of managing wires. Compared to non-Bluetooth speakers, this Bluetooth speaker is relatively compact, making it convenient and simple to transport to the destination.

The 30 mAh rechargeable lithium battery in the promotional mini speaker provides a long power life. Consequently, it provides an incredible 4 hours of nonstop gaming. The solid white metallic framework of this white Bluetooth speaker can be utilized to print the logo of your business or corporation as advertising. Your brand will become more well-known and appealing to consumers as a result. Additionally, this item is ideal as a gift for your loved ones.
