Round Wooden Keychains

KH-6
Round Wooden Keychain with Metal Ring
Specifications: Keychain Dimension: 50 x 44 x 5 mm

Round Wooden Keychains

Keychains made of round wood are timeless, attractive, and environmentally friendly. This type of customized keychain is a fantastic way to advertise. The material used to make these keychains was a strong red wooden substance. They are durable and trustworthy as a result. an excellent way to store daily-use keys that belong to you. Thus, you can avoid the hassle of fumbling around in pockets and bags for your keys thanks to our premium eco-friendly keychains. This printed keychain has a distinctive pattern. It also has a substantial wooden structure. To hold keys, it does, however, have a silver metal ring. Additionally, personalized keychains can be embellished with imaginative and distinctive designs to serve as gifts. However, people are modifying various goods to promote brands. As a result, if there is enough space, you can engrave any name or brand on this keychain. Additionally, a keychain with a high-quality print measuring 80 x 44 x 9 mm is also an option. As a result, you will have a lot of surface space to engrave logos.
