Swivel USB with 2 sides Printing

A USB with two sides printed is unusual. Metal and plastic were used to make it. The flash drive's chip is kept safe thanks to a cover that prevents damage and theft. It can store thousands of your important files and photographs. It has a storage range of 4GB to 32 GB. There are many various colors for these two sides of the USB print. With epoxy printing, you may customize this item by imprinting your company's emblem or the name of your brand there.

This personalized item is a cutting-edge and expert method of brand promotion. This customized item will be sufficient for you to promote your company. It will make a cool promotional present and a respectable occasion gift. Give this device to your deserving employee's colleagues in the advertising industry and let them know how much you value them. This gadget would be fantastic as a corporate gift, and as an event gift, it would demonstrate your consideration for your staff.

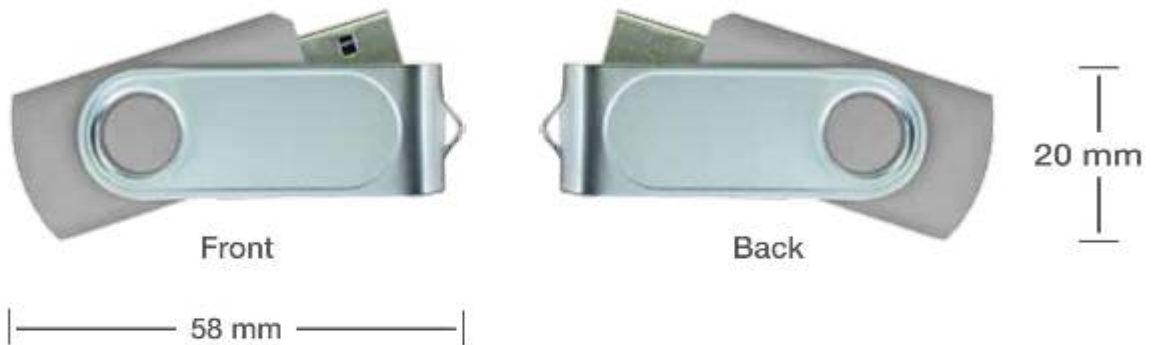

- Made of plastic and metal
- Memory storage capacity of 4GB, 8GB, 16GB, and 32GB separately
- The cover protects it from dust and damage
- It is a customizable USB
- Decent corporate gift

Printing Option

- Full-color Digital Printing with Epoxy (2 Sides Printing)
