Foldable Metal Bag Holders and Hooks

BH
Bag holder
Specifications: Size of 40 mm

Foldable Bag Holders and Hooks

Foldable bag holders, tabletop purse hangers, handbag hangers, and holders. Among its uses are decorations and promotional gifts. **Regarding this product:** At the table, there is a convenient hook made of zinc alloy and stainless steel that can be used to hang the purse so that it is not hidden from view. Gunmetal: aesthetically, our bag holder stands out from a lot of other options because of its slick gunmetal style. Versatile, as it also serves as a hook for the mask, headphones, or headset ? keeping these essential items close at hand The mobile bag hook has a rubberized base that keeps it from sliding about. It is only 45 mm x 45 mm x 10 mm in size and weighs a little under 60 g, so it can be placed anywhere. After being unfolded, the top of the hook is positioned 7 cm below the surface it is supporting.
