## **Pens Maxema Flow Texture**

Cool and inventive custom-printed pens are Maxema flow texture pens. They were made from dependable, very resilient ABS plastic. They are hence strong and secure to use. Specially made with a solid color, its barrel. Since it has a shiny surface throughout the barrel, it. The Maxema flow texture pen's entire barrel is the same color. It does have a white creative clip, though. These customized plastic pens are fantastic for promoting small brands.

Additionally, its tip is metallic silver in color. It also includes a jumbo refill, allowing you to write smoothly for 2500 meters. A twist-action mechanism is included. So, it's simple to put on and take off the ball pen. On the clip, there are options for PAD printing, screen printing, and UV printing. Thus, you can personalize these pens to create plastic personalized pens for your business. As a result, these are wonderful corporate presents in Dubai. You can even make them just for your family and friends.

- Made of durable and long-lasting ABS plastic.
- Best corporate gifts in Dubai.
- Stylish custom-printed pens.
- Creative Colorful barrel.
- Textured finish on the whole structure.
- Available in 22 different colors.
- White color glossy clip.
- The shiny silver metallic tip
