Dorniel Design Metal Pen
Specifications: Gold Plated Clip and Tip, Dorniel Logo Engraved on Side

Metal Pens

Dorniel metal pens have a distinctive and cutting-edge design. These pens were made from authentic metallic materials. They are hence strong and long-lasting. The entire body of this pen, including the barrel, is shiny metallic. As a result, the entire pen has a metallic sheen. The barrel comes in two different colors. The barrel is available in glossy white or glossy black. The pen's tip and clip feature a gold-plated finish. These promotional pens can therefore be used for business. The pen has an opulent appearance thanks to the tip and clip. Therefore, in Qatar, these things work best as promotional presents.

Additionally, it has a screen printing option and laser marking for adding a logo to the top of the barrel. As a result, you have a variety of possibilities for promoting your business. In order to simply brand these pens with your company's logo. These promotional pens can also be used to advertise your company. Additionally, you can give them as presents to loved ones. Do look at these fine pens if you are reviewing the list of promotional things.
