Double Wall SS Bottle, Twist-off Lid with Phone Holder 600 ml

Stay refreshed and connected with our 600 ml Double Wall Stainless Steel Bottle with phone holder. Featuring a twist-off lid, integrated phone holder, and sleek design, it keeps your drinks at the perfect temperature while providing hands-free access to your phone. Ideal for on-the-go hydration and convenience.

Features

- **Durable Stainless Steel Material:** Resists dents and scratches, offering long-lasting use.
- **Double Wall Vacuum Insulation:** Keeps drinks hot or cold for extended periods.
- **Twist-off Lid:** Ensures a secure seal to prevent leaks.
- **Phone Holder:** Integrated stand-on lid for hands-free phone use or easy access.
- **Compact Design:** Fits easily in car cup holders and most bags.
- **Packaging:** White carton box with one color imprint

Branding on Bottle

For the Double Wall Stainless Steel Bottle, branding options include:

- **Logo Placement:** Prominently display your brand's logo on one side of the bottle, using a high-quality engraving or printing technique for durability.
- **Slogan or Tagline:** Include a catchy slogan or tagline below the logo to reinforce brand messaging.
- **Custom Colors and Patterns:** Offer a variety of colors and patterns that reflect your brand identity.
- **Contact Information:** Optionally add your website or social media handles in a discreet location for customer engagement.
- **Eco-friendly Messaging:** Highlight any sustainability messages or certifications to align with eco-conscious branding.

These elements help ensure the bottle not only functions well but also serves as a mobile advertisement for your brand.

Ideal For

- **Corporate Events:** Impress clients and employees with branded, practical gifts.
- **Trade Shows:** Stand out at industry events with eye-catching promotional items.
- **Fitness and Health Promotions:** Encourage a healthy lifestyle with branded bottles for gyms, sports teams, or wellness programs.
- **Community Events:** Strengthen your local presence by offering useful, branded items to attendees.

Why Use Them

Promotional bottles not only provide a useful item that people will use regularly but also offer continuous exposure for your brand, turning everyday hydration into a powerful marketing tool.

Printing Options on SS Bottles

- Laser Marking | UV DTF Printing | Sublimation Printing | Screen Printing | Helix Printing
