Pens Maxema Flow Pure

The high-quality Maxema flow pure pens are stylish and imaginative. They were made from dependable, very resilient ABS plastic. They are strong and secure to utilize as a result. Specially made with a solid color, its barrel. Since it has a shiny surface throughout the barrel, it. The Maxema flow pure pen's entire barrel, including the tip, is the same color. It does have a white creative clip, though. It also includes a jumbo refill, allowing you to write smoothly for 8200 meters.

These business pens are fantastic for promoting niche brands. A twist-action mechanism is included. So, it's simple to put on and take off the ball pen. On the clip, there are options for PAD printing, screen printing, and UV printing. As a result, you can personalize these pens to use as business promotional pens. These are great products for UAE sellers of corporate gifts. These vibrant pens can be personalized with the names of your loved ones.

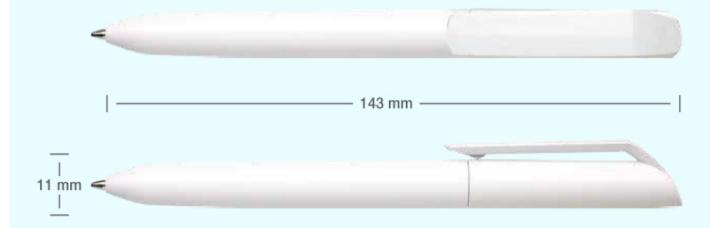

- ABS material is strong and long-lasting.
- The best corporate gift suppliers in the UAE have these goods.
- Options include UV printing, screen printing, and PAD printing.
- Stylish business pens.
- A vibrant barrel.
- The entire structure has a glossy polish.
- Available in a whopping 22 colors.
- Glossy white clip in color.
