Portfolio Notebooks with Multi-purpose Holder

Portfolio Notebooks with Multi-purpose Holder

Special notebooks for students, employees, and teachers are called portfolio notebooks. In addition to having a cellphone holder on the outside, these notebooks also have one inside. It also includes a magnetic clasp made of metal for safe storage. Inside the notepad is a pen holder as well. These notebooks can thus be used for a variety of things. With the notebook, you may use it as a notebook, a mobile phone holder, a calendar, and a holding pen. This notebook's cover is constructed from robust and flexible leather material. This makes the cover inherently durable. There is just a black color option for this cover.

Additionally, there are many sections inside the notebook. Pages in the notebook are A5 size. Therefore, these are the ideal branded notebooks for marketing your company. There are numerous choices for printing a logo on it. As a result, you can stamp the logo using silk screen printing or laser engraving. Therefore, these branded notebooks make excellent presents for your clients and coworkers. This item can also be given away. Additionally, you can use them as notebooks for professional occasions. You can even make them just for your family and friends.
