Round Glass Tea Coasters

Coasters in Glass

Printed tea coasters are available in glass. They were made using genuine glass materials. They are hence both lightweight and strong. These tea coasters have a circular form. They have a 10cm diameter and a 5mm overall thickness. It is therefore the ideal coaster for your teacups. It makes a great replacement for plastic tea coasters. Thus, it contributes to the removal of plastics from the environment.

Additionally transportable and small, these glass tea coasters. This item is ideal for you if you want to promote your brand or business fashionably. You may print on these printed tea coasters with no problems. Therefore, sublimation printing is an option. These glass tea coasters can be personalized with your company or brand's logo. They are thus ideal presents for your cafes, restaurants, and offices. You can personalize them with cutting-edge and distinctive designs for an internet business. You may therefore use them as promotional gifts to increase customer sales. In the UAE, these tea coasters are dependable and superior business gifts.
