3-in-1 Foldable Wireless Charger for Mobile, iWatch and Earbuds

3-in-1 Foldable Wireless Charger for Mobile, iWatch & Earbuds

The 3-in-1 Foldable Wireless Charger combines convenience and style, allowing you to charge your mobile phone, apple smart watch, and earbuds simultaneously. Featuring a sleek PU leather finish and a foldable design for easy portability, it supports 15W fast charging for efficient power delivery. This compact and versatile charger is perfect for streamlining your charging setup and keeping your devices organized.

Features

- **3-in-1 Charging Capability:** It can charge a mobile phone, a smartwatch, and earbuds all at once, which is great for minimizing clutter and streamlining your charging setup.
- **Foldable Design:** This feature makes it easy to carry and store the charger, enhancing portability and convenience.
- **15W Fast Charging:** It supports 15W fast charging for compatible mobile devices, ensuring quick and efficient power replenishment.
- **Wireless Charging:** It eliminates the need for multiple cables and connectors, offering a cleaner and more organized charging solution.
- **Notes:** The Charger is compatible with the Apple iWatch. Is not compatible with Samsung Smart Watch.

Material

- **PU Leather:** The use of PU (polyurethane) leather provides a sleek and premium look. It's also likely to be more durable and easier to clean compared to traditional leather. PU leather can add a touch of elegance while also protecting the internal components of the charger.
- **Color:** Black Color
- **Mobile Charger:** 15W | **Watch Charger:** 2.5W | **Earbuds Charger:** 5W

- **Packaging:** Plain black carton with inside die-cut foam.
- **Inside the box:** (1) wireless charger (1) Type-C Charging Cable.
- Available Colors: Black

Additional Considerations

- **Compatibility:** Devices are compatible with wireless charging standards such as Qi to make full use of this charger.
- **Design and Aesthetics:** The PU leather material adds a sophisticated touch, the color and design match your style or workspace.

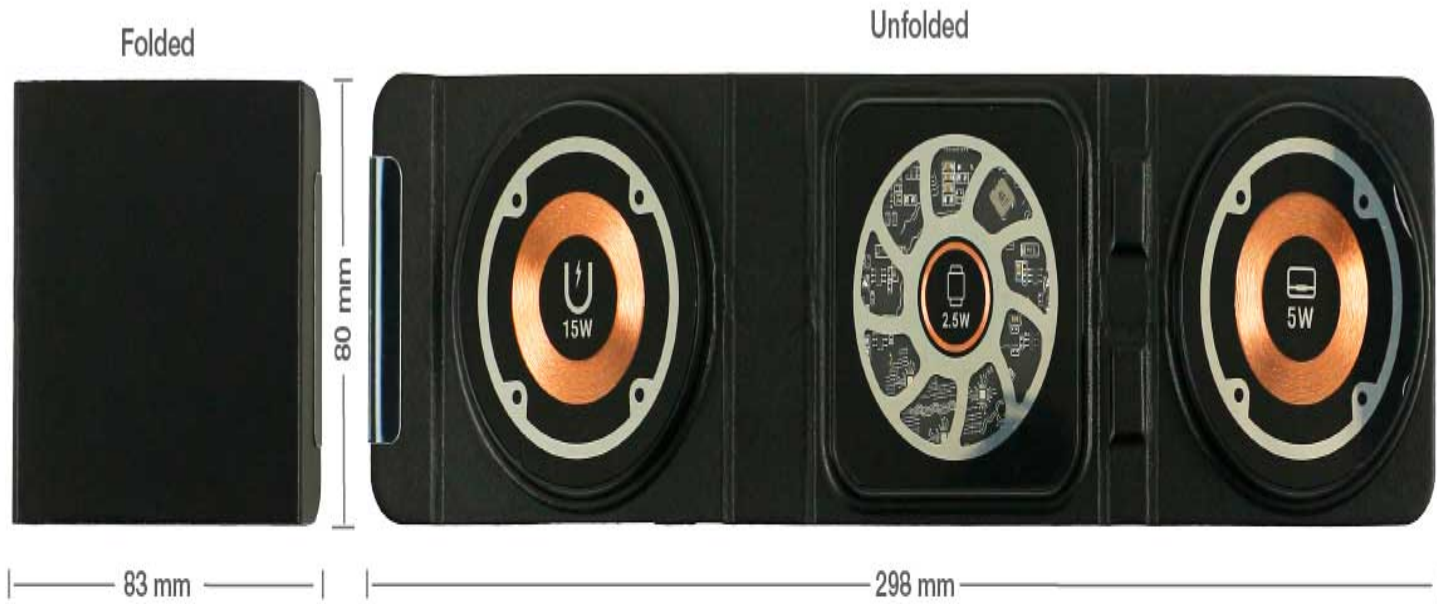

This multi-wireless charger is ideal for someone who values both functionality and style, offering an all-in-one solution to keep their devices powered up.
