Lamp Bamboo 5.0 Version Bluetooth Speaker

MS-09
Lamp Bamboo Bluetooth Speaker
Specifications: Product Size: 60 x 105 mm

Lamp Bamboo Bluetooth Speaker

Lamp 5.0 Bluetooth-capable bamboo Bluetooth speaker. The lower side of the Speaker is intended as a lamp, and the upper casing is made of bamboo. This speaker and lamp 2-in-1 combination are also excellent. To improve your sound and music system experience, this promotional Bluetooth speaker and lamp offer superior acoustics to plastic speakers. The Bluetooth technology on this bamboo speaker is version 5.0. A direct line of sight Bluetooth signal can go up to 40 meters indoors and 240 meters overall. In terms of sound quality, this Bluetooth version is superior to earlier ones. With its reasonable shape and wireless setup, this bamboo speaker spares you the hassle of managing wires. The lamp that is attached to this Bluetooth speaker makes it rather distinctive.

A 350 mAh lithium-ion rechargeable battery powers our bamboo speaker and offers long battery life. It offers an astonishing three hours of nonstop gaming. The smooth bamboo framework of this eco-friendly speaker may be imprinted with your business's logo. It is perfect for usage as a company gift, event gift, or promotional gift. Your brand will become well-known and appealing to consumers thanks to this speaker. Additionally, this eco-friendly gadget is ideal as a present for your loved ones.
