Mood Metal Pens

Pens Maxema Mood Metal

Cool branded pens include Maxema mood metal pens. They used dependable titanium metal for their creations. They are strong and secure to utilize as a result. Its barrel was made specifically with metal that had a grey finish. As a result, the entire barrel has a shiny diamond mirror surface. The barrel and tip are both the same shade of gray. The pen does, however, also have a grey push button. As a result, it makes the pen appear expensive. Options for screen printing and UV printing are included.

Additionally, there are numerous printing possibilities for logo imprinting. As a result, you can personalize these pens to use as elegant corporate presents for your business. The clip of this pen was made of ABS plastic in addition to the barrel. It is completely black in hue. It also has a glossy finish, though. These are great products for Qatari suppliers of corporate gifts. These pens can also be personalized with the names of your loved ones. These customized pens make great tools for promoting small businesses.
