Rectangle Metal Key Holders

23
Rectangular Shaped Metal Keychain for 1 side printing
Specifications: Product Size: 60 x 30 mm (base)

Key Holders

A rectangular key holder made of metal is straightforward and stylish. It had been made entirely of metal. They are hence strong and long-lasting. It also features a clean, sophisticated design. It has a rectangular space and a dome-shaped keyhole. Printing takes place in this rectangle. They are printable as a result.

Additionally, the bright silver chrome finish on the structure of this metal keyholder contributes to its streamlined design. It is shiny and striking thanks to this finishing. It keeps all of your necessary keys so you won't leave any behind at home.

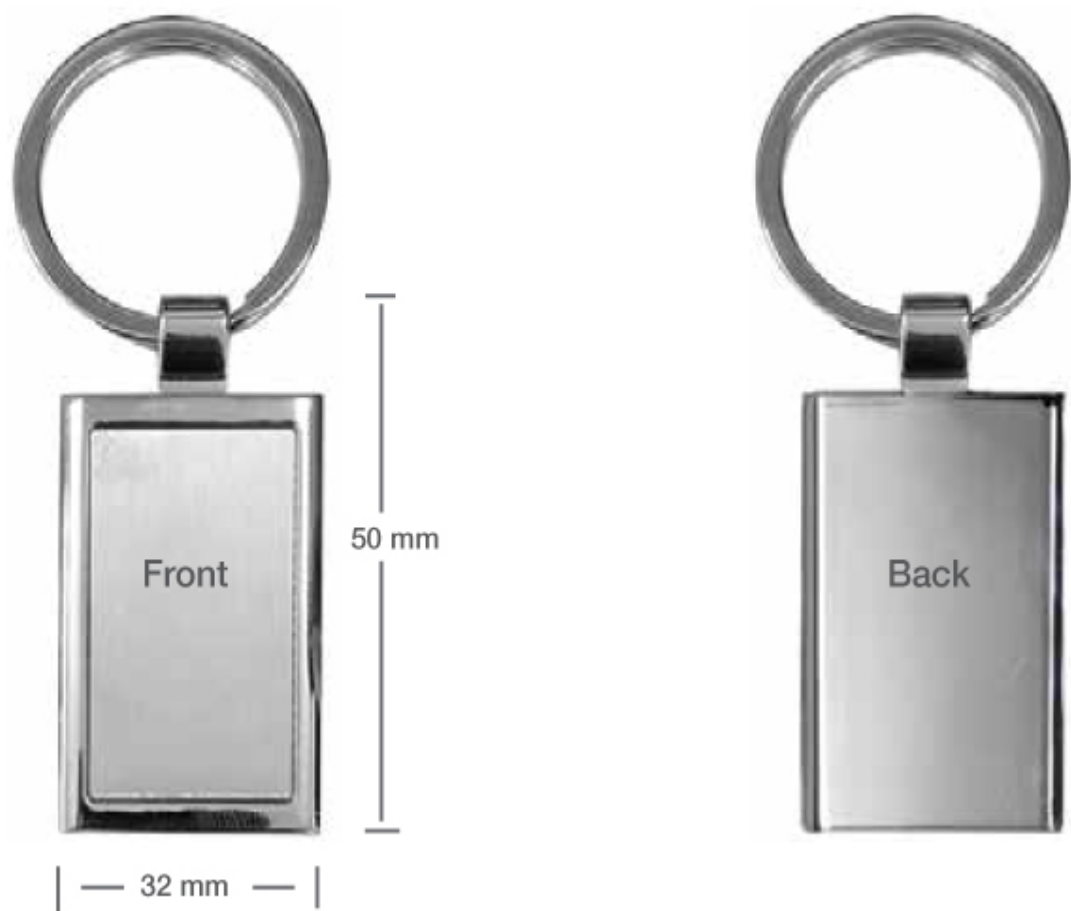

- It's manufactured from 100% durable metal.
- The entire structure is finished in gleaming silver chrome.
- Attractive rectangular shape.
- Available in light grey color.
- Size: 50 x 32 mm.
- Affordable promotional item.
- With the choice of epoxy, use laser marking and digital printing to imprint logos.

Printing Options

- Laser Marking | Digital Printing with Epoxy
