Shield Shaped Wooden Plaques

A royal plaque is a shield-shaped wooden plaque. It was made of metal and wood. They are powerful and resilient as a result. They are also environmentally friendly. It has a regal style. It is made of an aluminum sheet that has gold foil on it. In addition, a maroon border outline is present. Shield's entire surface is plain so you can modify it. There are two sizes available for this printed shield plaque. One is 17 x 21 cm, while the other measures 21.7 x 28.7 cm. They are therefore great for recognizing others' accomplishments. It is lightweight despite its substantial strength. Also included is a box.

Being a plaque, it draws a lot of attention. As a result, it makes the ideal promotional item for company promotion. There is an engraving choice available for this printed shield plaque. There is space for advertisement there. As a result, you can personalize them with a name or brand. This may also be given out as a token of appreciation. They will undoubtedly draw customers to your brand. Printing inspirational words on this promotional item is also an excellent application for it.
